Stock & Option Solutions Presents at the 21st Annual NASPP Conference

Elizabeth Dodge will speak with Stacy Bishop of Vistaprint, Carrie Kovac from Symantec Corporation and Jay Seliber, PwC in *Emerging Hot Button Issues in Accounting for Equity Compensation*

Campbell, California, September 3, 2013 - Stock & Option Solutions (SOS), a leading provider of stock plan administration, management and consulting services, today announced that Elizabeth Dodge, CEP, Vice President of Product Management at SOS will be presenting at the 21st Annual NASPP Conference in Washington, DC September 23-26, 2013.

The conference will bring together equity professionals eager to learn and this session won't disappoint. It will be held in Washington DC, at the Washington Marriott Wardman Park Hotel and will include four days of educational and timely sessions.

"We explain the same things to different auditors every single quarter. In this presentation we've compiled our list of 'top' questions we've seen from auditors and broken down the underlying facts so that our attendees not only understand the issues, but can explain them to their auditors themselves," said Dodge.

Stock & Option Solutions will also be hosting a California-themed booth in the exhibit hall featuring games, giveaways, and prizes, including two iPads.
