Stock & Option Solutions Hosts SOS Educational Webcast: Voyage to the End of the Year: How to Deal with Year-end Regulations

Educational webcast reviews ways to tackle stock plan year-end and still get everything else done

Campbell, California, October 22, 2013 - Stock & Option Solutions (SOS), a leading provider of stock plan administration, management and consulting services, today announced their upcoming webcast, Voyage to the End of the Year: How to Comply with Year –end Regulations is scheduled for November 20th, 2013 at 11am PT.

From SOS, Christine Zwerling, is joined by Georgina Lai of Facebook, to address which equity compensation related to-do items are most crucial and which ones can be done later. The speakers will share a suggested year-end checklist and some ideas that companies can implement quickly that will help to smooth their entire year-end process.

Zwerling of SOS says, “Year-end always seems to sneak up on us – like we don’t know its coming. There are so many things that have to get done and things that should get done, that the list seems overwhelming. Our session will review the myriad of items we need to comply with at year-end along with a discussion of what that you can start early so it’s possible you won’t be in the office New Year’s Day trying to close your books.”
