Agenda

- Historical Processes
- Business Partners
- Vendors
- Employees
- Conclusion

4

Stock & Option Solutions

HISTORICAL PROCESSES

Stock & Option Solutions

Last Year’s Processes

- Review last year’s deliverables
  - Create a list of the reports you ran last year for your business partners
    - Will the same be needed this year
    - When were the reports due
  - Create a list of any vendors you used
    - Do you plan to use again this year
  - Create a list of deliverables for employees
    - Any known changes for the current year

Stock & Option Solutions

Last Year's Processes

- Create list of deliverables from previous year to use as outline for this year's checklist
- Note any changes from the previous year
  - New business partners, personnel changes
  - New vendors
- Consider any company changes that would impact employee statements or communications
  - Expats, global mobility
  - Mergers or acquisitions

Stock & Option Solutions

BUSINESS PARTNERS

Stock & Option Solutions

Who, What and When

- Who are your business partners?
  - Tax
  - Payroll
  - Accounting
  - Human Resources

Stock & Option Solutions

Who, What and When - Tax

- What do they need?
  - Schedule a meeting with tax early in Q4
  - Go over reports provided previous year, confirm if same reports needed this year
  - Are any additional reports required?
  - Confirm who receives reports & how
- When do they need it?
  - Confirm dates reports are due -- not all reports may due at the same time
- Provide outside tax consultants with transactions for expats & anyone they provide services to

10

Stock & Option Solutions

Who, What and When - Payroll

- What do they need?
  - Audit report of taxable transactions for employees with US payroll entries
    - Include domestic, expats & international with trailing liabilities to US
    - Suggestion: do quarterly audits then Oct/Nov in early Dec so only one month of data needs to be audited at year-end
  - Types of transactions
    - Stock option exercises
    - Restricted stock releases
    - ESPP disqualifying dispositions (and qualifying if you track them)
    - ISO disqualifying dispositions
- When do they need it?
  - Confirm when the data is needed

11 Stock & Option Solutions

Who, What and When - Accounting

- What do they need?
  - List of transactions for Board of Directors for 1099 purposes
  - List of transactions for consultants for 1099 purposes
  - Standard reports for SEC reporting
    - Month-end
    - Quarter-end
    - Year-end
- When do they need it?
  - Find out when their deadline is

12 Stock & Option Solutions

Who, What and When - HR

- What do you need?
  - Current list of employees with departments and addresses
  - List of terminations for the year
    - Audits should be done periodically throughout the year
  - Last known addresses for employees terminated during the year
- When do you need it?
  - By end of year

13 Stock & Option Solutions

VENDORS

14 Stock & Option Solutions

Who, What and When

- Stock Platform
- Transfer Agent
- 6039 Consultants

Stock & Option Solutions

Who, What and When - Platform

- What year-end tasks are required?
  - Reset YTD, Wages and Supplemental income to zero
  - Update tax percentages and limits
  - Update ESPP and ISO dispositions not already entered
  - Update allocated shares for evergreen provision if applicable
  - Verify access to data for SOX controls (this may be required quarterly or annually based on your narrative)

16

Stock & Option Solutions

Who, What and When - TA

- What year-end tasks are required
  - Reconcile plans with stock database
  - Download data for roll forward
- Mergers and Acquisitions
  - Do you have an escrow or paying agent that is separate from your transfer agent they will need to send out tax information to employees

17 Stock & Option Solutions

Who, What and When - 6039

- Do you outsource 6039 reporting?
  - Contact vendor in Q3 for an updated statement of work
  - Get approval for statement of work from Legal
  - Generate the purchase order for the statement of work
  - Get list of deliverables and due dates from vendor
  - Provide deliverables on or before the due dates
  - Audit completed 3921s and 3922s when complete
  - Give vendor final approval to mail out completed forms

18 Stock & Option Solutions

EMPLOYEES

19

Stock & Option Solutions

What, When and How - Employees

- What are your deliverables to US employees?
  - 6039 Statements
  - Tax Summaries
    - Options & Restricted Stock, ESPP
  - Tax Memo
- What is your deadline to deliver?
  - By January 31, can be sent earlier
- How do you plan to deliver?
  - 6039 Statements must be sent snail mail
  - Other documents can be included in mailing or sent electronically

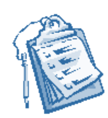
20

Stock & Option Solutions

What, When and How - Employees

- Suggestions
  - Remind employees to update address in early Q4
    - Can be sent with paychecks or highlighted in online access
    - Send targeted message to employees using corporate address
  - If you survey for ISO & ESPP dispositions, should be done quarterly with final deadline in early Dec

Sample Checklist



Checklist for Year-End

Year: 2016

	Jan 25, 2017	Send out Tax Summaries and Memo
	Jan 31, 2017	6039 forms mailed

CONCLUSION

23

Stock & Option Solutions

Conclusion

- By working with your business partners & vendors you can create a comprehensive year-end plan
  - List each item needed and by whom
  - List date each item is needed
  - Lay out in form of a date driven checklist
  - Check off each item as it is completed
- After you check off the last item on the list
